See Ruling 4718 APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on

the source and subject to payments to the State of Nevada for

the sale of the water under the provisions of NRS 538.160, and

contracts drawn thereunder. A measuring device must be in-

stalled and maintained to facilitate the measurement and

control of water. The State retains the right to regulate the

use of the water herein granted at all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0784 c.f.s. cubic feet per second, or a yearly duty of 42.6 acre-feet per annum.

Actual construction work shall begin on or before October 17, 1958

Proof of commencement of work shall be filed before November 17, 1958

Work must be prosecuted with reasonable diligence and be completed on or before October 17, 1959

Proof of completion of work shall be filed before November 17, 1959

Application of water to beneficial use shall be made on or before

October 17, 1960. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 17, 1960

Map filed Nov. 22, 1957
